**Award of Distinguished Budget Presentation**

The Government Finance Officers Association of the United States and Canada (GFOA) presented the Distinguished Budget Presentation Award to the City of Eugene for its annual budget for the fiscal year beginning July 1, 2014.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

The award is valid for a period of one year only. The City expects that the current budget continues to conform to program requirements and is submitting it to the GFOA to determine its eligibility for another award.

# **Organization of the Budget Document**

---

The City's annual budget for fiscal year 2016 is presented in this document in eight sections:

- Budget Summary
- Revenue Summary
- Fund Summary
- Service View
- Department View
- Capital Budget
- Non-Departmental Budget
- Urban Renewal Agency

In addition, this document contains a budget message from the City Manager, an overview of the City organization, legal forms, a glossary and acronym list, and an index. The goal is that the document will provide a comprehensive and clear basis for review of the Annual City Budget.

The annual budget is available online at the City's website at [www.eugene-or.gov/budget](http://www.eugene-or.gov/budget).

If you have suggestions for improving the document or questions about its contents, please contact the Budget Office at 541-682-5512.
